

PUBLIC SERVICE VEHICLE INSPECTION AND RECTIFICATION REPORT (PSV)

Re-order Ref: PV1

Company.....	Make	Reg no
Address.....	Model	Fleet no
.....	Seating capacity	Odo reading miles/km
O licence review.....	Year	Chassis no
Tachograph calibration date	Tachograph last 2 year test date	Inspection date ISO week no

ALL ITEMS ARE TO BE CHECKED IN ACCORDANCE WITH THE DVSA PUBLIC SERVICE VEHICLE INSPECTION MANUAL

MARKING CODE (MC): ✓ = Serviceable X = Defect NC = Not checked N/A = Not applicable M = Monitor (possible maintenance required before next SI)

ITEM – CHECK FOR	MC	IM no	ITEM – CHECK FOR	MC	IM no
Registration plates - <i>legibility-security</i>		1	Communication devices - <i>provision-condition-operation-conformity</i>		24
Seat belts and supplementary restraint systems - <i>specification-security-condition-operation</i>		3	Lighting - <i>provision-condition-operation-conformity</i>		24
Exhaust emission - <i>density-colour</i>		5	Floors and gangways - <i>condition-operation-conformity</i>		24
Road wheels and hubs - <i>condition-security</i>		6	Steps - <i>condition-operation-conformity</i>		24
Size and type of tyres - <i>size-type-compatibility</i>		7	Kneeling system - <i>operation-controls-operation-conformity</i>		24
Condition of tyres - <i>wear-damage-inflation</i>		8	Windscreen wipers and washers - <i>condition-operation-effectiveness</i>		25
Bumper bars - <i>security-condition</i>		9	Speedometer/tachograph - <i>presence-condition-operation-seals-wiring-illumination</i>		26
Spare wheel/carrier - <i>security-condition-wheel attachment</i>		10	Audible warning (horn) - <i>operation-control</i>		27
Vehicle to trailer coupling - <i>articulated bus-condition-operation-security</i>		11	Driving controls - <i>damage-security-obstruction</i>		28
Wings and wheel arches - <i>condition-security</i>		14	Steering control - <i>free movement-security-condition</i>		30
Passenger doors - <i>condition-operation-legal markings</i>		16	Steering wheel - <i>condition-security</i>		30
Driver's doors - <i>condition-operation</i>		16	Steering column - <i>condition-security-couplings</i>		30
Emergency exits - <i>condition-operation-legal markings</i>		16	Speed limiter - <i>presence-operation-condition-seals-wiring-plate</i>		33
Driver's accommodation and steps - <i>condition-security-access</i>		17	Pressure/vacuum warning - <i>operation-position-illumination</i>		34
Demist/defrosting equipment - <i>operation-blockage</i>		17	Build-up of pressure/vacuum - <i>time taken</i>		34
Driver's escape window - <i>operation</i>		17	Hand lever operating mechanical brakes - <i>operation-wear-damage</i>		36
Driving seat - <i>condition-security-position-adjustment</i>		18	Service brake pedal - <i>operation-condition-obstruction</i>		37
Security of body - <i>body displacement-condition-security of mountings</i>		19	Service brake operation (cab check) - <i>operation-leaks</i>		38
Exterior of body - <i>condition-security</i>		20	Anti-lock/electronic braking/stability control systems - <i>operation-warning</i>		38
Access doors and flaps - <i>condition-security</i>		20	Hand operated brake control valves - <i>condition-security-operation-leaks</i>		39
Luggage compartments - <i>condition-operation</i>		20	Condition of chassis - <i>condition-deformation</i>		41
Guard rails - <i>size-position-condition</i>		20	Electrical wiring and equipment including trailer connections - <i>security-condition</i>		42
Interior of body/passenger entrance and exit steps/platforms - <i>condition-operation</i>		21	Engine and transmission mountings - <i>security-condition</i>		43
Floor traps/covering/mats - <i>condition-operation-security</i>		21	Oil and waste leaks - <i>extent</i>		44
Passenger seating - <i>layout-security-condition</i>		21	Fuel tanks and systems (including ancillaries) - <i>security-leaks-damage</i>		45
Ventilators and opening windows - <i>condition-security-operation</i>		21	Exhaust and waste systems (including ancillaries) - <i>security-condition-fumes-noise-leaks</i>		46
Grab rail, guard rail, barriers, etc- <i>condition-security</i>		21	Suspension pins and bushes - <i>condition-security-wear</i>		48
Passenger area lighting - <i>condition-operation</i>		21	Suspension spring units, linkages and anti-roll bars - <i>condition-security-alignment-leaks</i>		48
Communication with driver - <i>operation</i>		21	Attachment of spring units, linkages and sub frames - <i>condition-security</i>		48
Fire extinguisher - <i>readily available-condition</i>		21	Shock absorbers - <i>presence-condition-security-leaks</i>		48
First aid kit - <i>readily available-condition</i>		21	Air/fluid suspension - <i>condition</i>		48
Parcel racks - <i>security-condition-danger to driver</i>		21	Axles, stub axles and wheel bearings- <i>wear-security-condition-adjustment</i>		53
Other facilities - <i>installation-function</i>		21	Steering mechanism - <i>wear-security-condition-security-operation-leaks</i>		54
Mirrors and indirect vision devices - <i>presence-condition-security-adjustment</i>		22	Steering gear - <i>condition-security-adjustment</i>		54
Glass and view of the road - <i>cleanliness-type of glass-security-obstruction</i>		23	Power steering - <i>condition-security-adjustment-leaks-fluid level</i>		54
Wheelchair spaces - <i>provision-condition-operation-conformity</i>		24	Transmission - <i>security-condition</i>		57
Boarding devices - <i>provision-condition-operation-conformity</i>		24	Additional braking devices (including retarders)- <i>security-operation</i>		58
Lifts and ramps - <i>provision-condition-operation-conformity</i>		24	Hydraulic fluid level		59
Entrances and exits - <i>provision-marking-operation-conformity</i>		24			
Signs and markings - <i>provision-condition-operation-conformity</i>		24
